

SPENCER SUPER BLUE

HEAD IMMOBILIZER

Two blue vinyl coated foam blocks, with ear cut-out, provide firm head support with minimal displacement during application; the centre pad may be removed to facilitate airway management and to adjust to different head sizes. The head straps are easily adjusted for firm, but comfortable hold.

It can be positioned on backboards, etc. with the supplied Velcro hook strips.

The Complete Super Blue includes: an immobilizer base, two foam blocks and head straps.
