

SPENCER B-BAK**Spine board**

With the B-Bak board, Spencer created new industry standards by delivering a backboard that reduces the possibility of cross-contamination during patient transport. It is extremely thin to maximize storage space and to provide an excellent, x-ray translucent view of the spine. There are no plug holes or seams in which fluids may accumulate and it is made from recyclable HDPE.

This versatile spine board is suitable also for paediatric use.

Dimensions:
width: 41 cm
height: 184,50 cm
thickness: 4,30 cm
Weight: 7,10 Kg

B-BAK YELLOW**COD. ST02060B**
